

Woodland Park Special Road District

October 14 Meeting Minutes – 2019

Chiloquin Community Center

Called to Order: 6:00 PM

All Board Members Present – 7 Attendees Present

September Minutes & Treasurers Reports were read & approved

After the minutes and treasurer's reports were read, the meeting became very noisy and chaotic with several people talking to each other at the same time. It became impossible to record or take notes due to the loud yelling, and the noisy talking going on all at once.

When Comm. Wick called for order, he was told to put his gavel down and that they were there to let us (the board) know how they wanted "things to be done" and how this was going to be done.

Many were angry about the many rocks on the road, and that we should fire our contractor. We were rudely interrupted when we tried to say we had already talked to him, why the rocks were on the road and he was scheduled to return to complete the work. Unfortunately, the board became part of those who were yelling. It seems that Robert's Rules of Order were forgotten by all present.

We were given a list of suggestions (demands) and told that we were to go by our By-Laws (which we don't have or use, and tried to explain why). The board will give the County a copy of the letter given to us.

It became clear that the attendees were not present to discuss changes, but instead, to demand changes that must be complied with or else.

The board chairman decided to close the meeting at 7:07.

WPSRD Checking Transactions
