Dear Faye,

Under the **Oregon Public Records Law, §192.410 et seq.**, I am requesting an opportunity to inspect or obtain copies of public records;

- 1- January, February, and March 2020, Treasurers Reports on (A) proper forms, (B) with a starting balance, (C) itemized expenses, and (D) an ending balance.
- 2- **Copies of all invoices matching the three months of Treasurers Reports.**
- 3- **Proof of checkbook balancing with bank statement.**

If there are any fees for creating or copying these records, please inform me of the cost. I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public's best interest, will contribute significantly to the transparency and understanding of our financial status each month. This might curtail future requests for records.

I would request a prompt response to this request. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering our request.

Sincerely,

Jack Cannon
