Noted by the board to

Woodland Park Special Road District

Meeting Minutes – December 9, 2019

Chiloquin Community Center

Called to Order: 6:01 PM

All Board Members Present – Three Residents Present

November Minutes & Treasurers Reports were read & approved

During the reading of the Nov. minutes there were several interruptions again. When the gavel was used in order to gain order, we were told to put the gavel down and leave or resign if we had a problem with interruptions. We were told that we should mail each meetings minutes to the residents. We demanded order or we will be forced to close the meeting.

Old Business

More interruptions and complaints about the roads conditions. This is due mostly to residents speeding. We also will call about the repair of the culvert on Jet/Sunnybrook.

At this point the members present, again began talking and interrupting. We were told that a resident "Was not happy", after which we were told that "many residents were not happy and know more about road maintenance than we do." Apparently these are the same people that we have asked to help us, but none have done so. Many of them are the same people who voted down our last Tax Option and are observed speeding daily!!

Once again-No co-operation and no money.

After additional discussions, the board decided, to close the meeting. In the meantime, two members walked out.

**** As there were no other items to discuss, a motion was made and seconded to adjourn. The meeting was adjourned at: 6:45 PM**
