

# *Woodland Park Special Road District*

## Meeting Minutes –June 10, 2019

**Chiloquin Community Center -- Called to Order: 6:02 PM**  
**May Minutes & Treasurers Reports were read & approved**  
**All board members present -- three attendees present.**

### Old Business

A member at our May meeting said they were told that the District was offered and turned down a grant to have the fire dept. cut the brush alongside Old Korral Rd. We called Chief Cook and he told Jack that the member was mistaken and the offer was only extended to property owners on Old Korral Rd. but was turned down by some of them.

The easement by the railroad was also discussed in detail.

The need for many of our roads in Woodland Park Subdivision to have gravel and be repaired was discussed. Again, we covered the history of problems we've experienced due to our funding being reduced each year to the amount we receive now. Also, that we must first maintain Old Korral Rd. as it is the only access road in and out of our subdivision. We have little funds for additional improvements.

It was brought to our attention that the new owner of the JWTR/Green Diamond property consisting of two (2) 56 acre parcels, is blocking access to Collier Memorial State Park and the River on the South side by fencing and locked gates. Also, it was wondered WHY they were not made to become a member of our District since we have the only access road to their property???? Since access can't be denied, they get to help ruin our road free of charge just like everyone else in the County.

### New Business-None

**\*\* As there were no other items to discuss, a motion was made and seconded to adjourn. The meeting was adjourned at:6:22 PM**
