Business Meeting Minutes
August 15, 2022
Chiloquin Fire Department

Meeting was called to order by Co-Chair Tena Crum at 6:05pm

Tena read the previous minutes, Tena made a motion to accept the minutes as written, Rick seconded the motion. Vote was unanimous

Rick gave the financial report. There were no expenses, and the balance is \$5503.87

New Business:

It was brought to the attention of the Board that there would be a small expense for the needed hardware to hang the speed limit signs and the street signs on Burr and Sunnybrook. Rick stated that he could purchase the hardware and submit a receipt for reimbursement. We all agree that would be the best action.

Washout on Old Korral: The board discussed the washout area and Tena, and Rick reported the suggestions given to the board by Klamath County Public Works Director Jeremy Morris. There were several items identified to correct the problem:

Water Truck

Gravel and Pit rock

Grader and

Brush Hog.

The Board agreed to work on securing these items and the cost associated with the road repair and revisit for funding on September 19 meeting.

There was a lengthy discussion concerning the general breakdown of the road surface and the general need for repair and gravel. It was decided that Old Korral would have to be broke down into prioritized sections and worked on as possible.

Meeting was adjourned at 7:00pm
