

Woodland Park Special Road District

Meeting Minutes –April 8, 2019

Chiloquin Community Center

Called to Order: 6:00 PM

March Minutes & Treasurers Reports were read & approved

There were 3 residents and all commissioners present

Questions & Discussions

Most of what was covered at our March meeting was asked about again. There were many questions from a member who had not been to a meeting for a long while. The topics covered were as follows:

We were told by Morello Construction that they would start grading the roads this coming Wednesday.

- * Charges for road maintenance were asked about and answered.**
- * We were asked about our expenses and how much revenue we received yearly.**
- * Due to several other inquiries we covered a brief history of the subdivision and the establishment of our Road District in 1982.**
- * Are there any other contractors available to repair our roads? We discussed this last month and found that there are none in our area.**
- * Can we ask the County to help us? Several members have asked us why we are responsible for the maintenance of Old Korral Rd. when it is used by the general public on a regular basis and weekly by the railroad. Unfortunately, we have no authority over the road's use and no funds to rebuild Old Korral Rd. According to Oregon ORS regulations, the County is the legal road authority for Old Korral Road.**

We discussed and answered the above and also informed the members present that we had discussed most of these items with our County Commissioners.

**** As there were no other items to discuss, a motion was made and seconded to adjourn. The meeting was adjourned at: 7:17 PM**
