Property Owners on Larkin Creek Rd.

Chiloquin, OR.

Woodland Park Special Road District

Chiloquin OR 97624

Dear Commissioners:

The following is a letter from the taxpaying property owners which live on Larkin Creek Rd., (a part of the Woodland Park Special Road District) expressing our significant concerns with the condition of Larkin Creek Rd.

Larkin Creek Rd. has deteriorated to nearly impassable conditions and is very unsafe to travel in the winter and spring seasons. It severely impacts the ability for emergency fire and medical aid to property owners in need.

This year the logging company responsible for logging two properties on Larkin Creek Rd., did a light grading between the corals and the top of the hill on Walter Seput's property at no expense to the road district.

We as taxpaying property owners have paid to the Woodland Park Special Road District since its conception without any maintenance to Larkin Creek Rd. We believe it is past time for Larkin Creek Rd. to receive appropriate maintenance work to our road.

Over many years we have witnessed large investments from the road district benefiting Woodland Park subdivision, while all outlying roads have simply been ignored. These patterns exist in spite of the fact that many of the property

owners on Larkin Creek Rd and other outlying roads pay the most to the road district.

In light of the above, we are requesting that this be the year that Larkin Creek Road finally receives the necessary maintenance to provide a safe ingress and egress to our homes.

We appreciate your attention and consideration in this matter, and are looking forward to a response from you.
